BALTIC WORKS

Gateshead
Quayside

is a landmark building located on Gateshead Quayside, with stunning views over the River Tyne and across Newcastle Quayside.

BALTIC WORKS

Gateshead

The Work Place

Arranged across two asymmetric towers, the building provides modern open plan office accommodation of the highest quality arranged over eight levels.

At ground floor there is a large spacious double height reception area incorporating informal meeting space and a self-service micro market, which connects to the upstairs business lounge and gym/changing facilities.

A Growing Place

The building forms part of the growing Baltic Business Quarter, which is home to Gateshead Technology Park, which comprises Northern Design Centre, Baltimore House and PROTO: The Emerging Technology Centre.

With continued investment across Gateshead Quays and a growing cluster of digital, creative and technology businesses, the area has established itself as one of the North East's leading destinations for modern, forward-thinking occupiers.

Northern Design Centre

Baltic Place forms part of the growing Gateshead Quays area, which is home to The Glasshouse International Centre for Music, Baltic Centre for Contemporary Art, Gateshead College and will soon be home to the proposed new exhibition and events centre.

BALTIC Gateshead Quayside IT ALL WORKS TOGETHER

Baltic Works is situated on Gateshead Quays with excellent public transport links.

The **Voltra 54** electric bus service which runs every 15 mins can be accessed at Baltic Centre for Contemporary Arts, a short walk from the building, giving direct access to Gateshead Town Centre, Newcastle City Centre and Haymarket.

Pedestrian access to Newcastle Quayside is enabled via the Millennium Bridge, broadening the amenity to occupiers at Baltic Place.

THE COMPLETE

Micro-market

The self-service micro-market provides occupiers with 24/7 convenient access to fresh food, snacks and refreshments throughout the day.

Designed to support flexible working patterns, the space offers a modern grab-and-go experience within the building, creating an additional amenity for staff and guests alike. Local suppliers such as Tynemouth Coffee, Geordie Banger and Pitman Pies fill the shelves weekly.

Bringme Parcelbox

No need to stay at home to wait on a parcel delivery to arrive.

The on-site Bringme Parcelbox provides secure 24-hour parcel and post collection for occupiers, offering a convenient solution for deliveries and handovers. Accessible at any time of day, the smart locker system enhances the occupier experience by allowing tenants to collect packages safely and efficiently around their working schedule.

EV Charging

Baltic Works offers dedicated on-site electric vehicle charging facilities, supporting the transition to more sustainable travel.

The building benefits from 10 EV charging bays, including 8x 7kW chargers and 2x 22kW rapid chargers, providing convenient access for occupiers and visitors using electric or hybrid vehicles.

Technogym Gym

Occupiers benefit from access to a fully equipped Technogym fitness suite, designed to support health, wellbeing and work-life balance.

The gym includes high-quality cardio and strength equipment alongside modern shower and changing facilities, creating a premium wellness offering within the building. Integration with the inclusive Technogym app also allows all users to track workouts, access training programmes and connect seamlessly with the equipment.
