The Grade II listed Milburn House occupies a strategic location on Dean Street between the traditional Central Business District and the Quayside, with its many bars and restaurants convenient for business entertaining. Having been constructed in the 1900's, Milburn House has been sympathetically updated to provide office suites of various sizes, capable of using the latest technology.

The building is home to many substantial national and local professional firms including solicitors, surveyors, accountants, architects, engineers and planning consultants.

Description

Milburn House has been the proud home of Newcastle businesses for over 100 years.

This striking building pays homage to the seafaring routes from the River Tyne with an abundance of stunning embellishments throughout the interior waiting to be discovered.

Majestic Milburn House, now a Grade II listed building, was completed in 1905. Behind its imposing façade is a fairy-tale interior tiled in ochre yellow and deep green in a grand sweep of Art Nouveau. Designed to resemble the bow of a ship pointing towards the River Tyne, communal areas are identified with deck letters rather than numbers and the spacious atria and halls surprise the visitor at each turn.
